BRUNO BANNER BREVITIES

Bruno Lions Community Day which had to be postponed due to bad weather on July 28th will now take place on Wed. Aug. 11. The day will be as originally planned with baseball, softball, bingo, and the various other games which all go into the days fun. There will be the band and the fireworks etc but no parade or exhibits since these two items were handled previous to the rain on the originally scheduled day. Too bad we had to be dissatisfied by the weather but let's all turn out next Wednesday and make up for lost time.

Mr and Mrs John Neiberger and children of Weyburn spent a holiday in Bruno and Piger.

Mrs. Louis Sirup and Gloria are holidaying at North Battleford.

Mrs L B Gerlinski is home after a couple of weeks hospitalization

at Regina.

The Bob Waters are away for a holiday in and around Regina and Moose Jaw. In his absence Bob is replaced by Mr Johnson of Saskatoon. Mr Johnson is not ex-

did you know?

actly a stranger here, having relieved former manager Quinn three years ago.

Miss Ines Schwingamer won the ladies award for the biggest fish caught on Sunday at Wakaw's fish derby. She won a picnic thermos jug for her top catch.

Mrs Bob Able and the children of Weyburn are visiting with Mrs Able's parents the Jake Sartors.

Miss Kathy Kozak is holidaying here with the family.

The many friends of Mr Art Duford are very pleased to see him out and around again.

Mrs Lydia Prieger is home from B C for a visit with the family.

The Bruno Village Council has decided to definitely enforce the

dog tax by-law and since only a few citizens bought a licence for man's best friend, this season, they had better do so at once if they hope to maintain their masters voice over Fido.

The following are or were recent patients in the Humboldt hospital Mrs John Greuel, Adam Lozenski Mrs Catherine Weber, Carl Eckl

Mrs J Huhn is home following a visit with relatives at Regina. On her return she was accompanied by daughter Elsie, Mrs Reg Eddy and baby girl.

Mr & Mrs P Ewanishin are home from a holiday in Alberta.

Marva Lee and Ricky Opperman Weyburn are visiting with grandparents the Gust Knaunr.

AT THE
**MASSEY-HARRIS
TEST TRACK**

New! OLIVER Model 33 Self-Propelled Grain Master

A real profit-producer for growers of grain, beans, seeds and custom operators is the Oliver Model 33 Self-Propelled 12-Foot Grain Master.

Modern grain-saving and time-saving features include six forward speeds, hydraulic header lift, semi-revolving reel, flat-deck rotary straw walkers, and a 45-bushel grain tank that dumps on the "go."

Stop in and we'll show you such exclusive mechanisms as the double-clutch power take-off that controls ground travel and threshing speed independently.

LA Hering
Bruno

As Massey-Harris machines go "over the bumps" on the test track, the inside story of strains and stresses set up in frame members and working parts is recorded by special electronic apparatus.

Modern "stress analysis" with scientific apparatus gives Massey-Harris engineers information helpful in the development of machines that will give long wear with low upkeep cost.

In design and construction Massey-Harris machines offer the latest developments in modern engineering and research, bringing advantages that enable work to be done easier, quicker and at less cost.

DEMONSTRATION PLOTS

One way to judge the suitability of any variety of grain for a particular district is to see it growing side by side with many others. This is possible by paying a visit to one of the large number of "Crop Testing Plan" Demonstration Plots planted this year not only by our elevator agents but also by individual farmers.

Ask your Searle Agent for the location of the nearest plot.

TODAY, SUCCESSFUL FARMERS RELY UPON MACHINE HELP

Profitable, efficient, low cost farming depends largely upon the effective use of machinery to get more work done in less time and at the lowest possible cost per unit of production.

This trend to mechanization of more and more farm operations and to the utilization of the greater advantages in work output of the latest machines has been speeded up by the scarcity and high cost of dependable, experienced farm labour.

When checking your work program be sure to look into the labour-saving features of the latest Massey-Harris and Ferguson machines. Designed and built to help you do more work quicker and at less cost, Massey-Harris and Ferguson machines fit ideally into present-day farming operations.

For high quality equipment and for fast dependable service see your local dealer.

ESSO & ACTO
GASOLINES

Hundreds of Imperial Oil employees work as "laboratory detectives" checking for impurities... testing gasoline quality. That explains in part why Esso and Acto are recognized everywhere as Canada's leading gasolines.

Esso is ideal for high compression tractor and combine engines. Acto is an economical fuel for medium and low compression tractors. Esso and Acto gasolines are unexcelled for performance and the gallons it takes for a season's work.

An Esso Farm Tank gives you a convenient, sure, supply of CLEAN fuel at all times

**Announcing the formation of
THE CARLING BREWERIES (Regina) Limited**

MR. L. M. WILDMAN
Supervising Brewmaster
for The Carling Breweries Limited

In a matter of a few weeks
time, Carling's Black Label Lager
will be available in Saskatche-
wan. This famous Lager will be
produced under the supervision
of Mr. E. Ehler, Brewmaster, in
the brewery formerly occupied by
the Blue Label Brewery Ltd.,
Regina.

To ensure uniformity, purity and
quality of Carling's Black Label
Lager beer, arrangements have
been made for Mr. Lou Wildman,
Supervising Brewmaster for The
Carling Breweries Limited, to work
in conjunction with the supervisory
staff of Western Canada Breweries
Limited. Mr. Wildman's responsi-
bility to his company is to see that
quality control is maintained in the
brewing of Carling's Black Label
Beer in Canada, England and the
United States. It is largely due to
his vast experience that Black
Label Lager Beer has attained
such unparalleled public accept-
ance. Mr. Wildman will work very
closely with Mr. Ehler, the new
brewmaster, during the early
stages of brewing when The Car-
ling Breweries (Regina) Limited
goes into production.
